

Since its inception in 1954, the Fellowship of Christian Athletes has continued to grow while staying true to founder Don McClanen's vision of coaches and athletes influencing for Christ. Today, through God's grace, FCA is more strongly poised to continue fulfilling his vision around the world.

FCA

Making Disciples by Engaging, Equipping and Empowering Coaches and Athletes!

Our Vision:

To see the world transformed by Jesus Christ through the influence of coaches and athletes

Our Mission:

To lead every coach and athlete into a growing relationship with Jesus Christ and His church

Our Strategy:

To and Through the Coach

Our Methods:

Engage, Equip, Empower

We pursue our vision and mission through the strategy of *To and Through the Coach*. We seek ministry first to coaches hearts, marriages and families. Then, when ready we minister through coaches to their fellow coaches, teams and athlete leaders. The late Billy Graham once said, "A coach will impact more people in one year than the average person will in an entire lifetime." With the influence of a coach, FCA recognizes the most strategic way to reach more athletes is to first reach the coach.

FCA seeks to make disciples through our methods by engaging, equipping and empowering coaches and athletes to know and grow in Christ and lead others to do the same.
